## 6.1 –Activation Instruction

### Activation Instructions

[Print Activation Instructions](#)

#### **1** Get text banking message.

- If you are activating Text Banking, a text (SMS) message will be sent to: (318) 547-3663 from 79022. 79022 is the SMS code for Franklin State Bank and Trust Company.
- If you have not received the message in 10 minutes, or if you are re-activating Text Banking on this phone, send us your activation code by SMS to 79022.
- If (318) 547-3663 is not your phone number, please go to <https://www2.bankdataprocessing.com/franklinbank/> to edit or change your phone number.

#### **2** Reply with activation code.

- To complete Text Banking activation, reply to this message with your Activation Code: 965106. Please be certain to only enter the 6 digit code in your reply.
- Your activation code will expire Tue, Oct 16, 2012 02:37 AM EDT. If you try to activate after this time, you'll need to obtain another activation code from <https://www2.bankdataprocessing.com/franklinbank/>.

#### **3** Get Mobile Banking message.

- If you are activating Mobile Banking, you will receive a confirmation message containing a Mobile Banking link (URL).
- If you have not received the message in 10 min, come back online to the Mobile Banking Center and select Get Activation Code for this phone number.

#### **4** Go to Mobile Banking URL.

- Select the link to launch your phone browser and follow the mobile web site instructions to activate Mobile Banking.
- If you are re-activating Mobile Banking on this phone, you may also type the following URL directly in your phone browser: <http://m.fsbnet.com>.

---

[Return to the Mobile Banking Center](#)

7. You will receive a text message shortly from 790-22 instructing you to reply with your activation code.
8. Text the activation code you received from the web page during setup to the 790-22 number.
9. The next text you receive will be message 1 of 2 Text Banking activation successful.
10. When you receive message 2 of 2 it will contain a link to the mobile web site which the user will click to be directed to the site.
11. Once the link is clicked and the web page is loaded on the device the customer will click sign in.

12. On the next screen after clicking the link it will ask you to enter the activation code which was given to you on the online banking mobile setup screen. You can select either I already have one (activation code) or I need one (activation code).
13. Next the customer will select I have one to proceed with the setup.
14. A screen appears requesting your activation code and your mobile number including area code. Once all information is given click the activate button.
15. Activation is now complete! The next step is signing into mobile banking using your same online banking username and password.

#### Downloading the Mobile App (iPhone and Android Markets)

1. In order to download the Mobile App to your device locate your app store on your phone/device and enter (Franklin State Bank Mobile) and click search.
2. Once the correct app has been located for Franklin State Bank click the download/install link on your phone/device to begin installation.
3. After the app has completed downloading you will need to enter the one time activation code given to you at the online banking mobile setup screen in the app itself.
4. Once activated you will sign on to the app with your online banking username and password.
